This allows PADI RTO to issue Nationally Recognised Training (NRT) certificates, called statements of attainment (SOA).

For a list of units of competency and accredited courses we can offer, please click [here](#) and follow the link under the 'Scope' heading.

Our trainers and assessors are highly qualified and have extensive experience, and we are here to support our students through our training programs and to ensure they have an enjoyable learning experience.

PADI RTO Trainers are registered with ASQA under a Third-Party Trainer Agreement. This means PADI RTO Trainers are independent and conduct training and assessment at various locations throughout Australia (e.g. PADI Dive Centre or a first aid business). You are enrolled on a PADI RTO course, and your training and assessment is delivered by PADI Asia Pacific Pty Ltd – RTO # 6729 – www.padirto.com

You can verify an RTO Trainers 'teaching status' by following the link at <https://apps.padi.com/scuba-diving/pro-chek/> or by contacting rto@padi.com.au before enrolling into a unit of competency / accredited course offered by RTO Trainers through PADI Asia Pacific. You will need to ask your Trainer for their PADI or EFR member number to access the information.

PADI RTO embraces cultural diversity and are committed to creating an inclusive learning environment where everyone feels welcome and respected. We recognise and value the unique backgrounds, perspectives and experiences of our students and trainers. Our training programs are delivered with cultural sensitivity and awareness, ensuring that all students have equal access to quality training and support.

REVISED STANDARDS FOR RTO'S 2025

You are about to become a student in the process that can result in achieving a nationally accredited qualification. These qualifications can only be delivered by a Registered Training Organisation (RTO).

To be an RTO, we need to meet the requirements of the Standards for RTOs 2025. This is assessed in Australia by the Australian Quality Skills Authority (ASQA).

A newly registered RTO will be audited within the first 12 months of operation to ensure compliance to the NVR Standards and will be re-audited during its subsequent five-year registration period.

These standards and the auditing process are intended to provide the basis for a nationally consistent, high-quality vocational education and training system.

UNIQUE STUDENT IDENTIFIER

If you are undertaking nationally recognised training delivered by a registered training organisation you will need to hold a Unique Student Identifier (USI). A USI account will contain all your nationally recognised training records and results from 1 January 2015 onwards. PADI RTO will not be able to issue a Statement of Attainment to a student unless a USI has been provided and verified.

As part of the enrolment process with PADI RTO, you will need to provide us with your USI details. Once enrolled for a course with our PADI RTO an email will be sent to your nominated email address containing a PADI RTO enrolment form. Part of the enrolment form is a USI number field. In case you do not hold a USI yet, a link to the USI register will be provided to you. Keep it safe as only one USI will be created for each individual and will stay with you for life. Make sure your name on the enrolment form has the same format as the one you have used for the USI creation.

When applying for an USI you will need a valid Australian form of ID from the list below.

HARASSMENT AND DISCRIMINATION POLICY

We are required under Australian law to ensure that we provide a workplace that is free from all forms of harassment and discrimination (including but not limited to, racism, antisemitism, islamophobia, victimisation and bullying) so that staff and students feel valued, respected and are treated fairly.

We will ensure that all our Trainers understand their roles and responsibilities in creating such a workplace, by a process of training, communication, mentoring and by example, and we will ensure all our Trainers are aware of the processes and procedures for addressing any form of harassment or discrimination.

Trainers and students should be aware of the following definitions:

‘Bullying’ - is unwelcome and offensive behaviour that intimidates, humiliates and/or undermines a person or group. Bullying involves a persistent pattern of behaviour over a period time and may include verbal abuse, physical assault, unjustified criticism, sarcasm, insult, spreading false or malicious rumours about someone, isolating, or ignoring a person, putting people under unnecessary pressure with overwork or impossible deadlines, and sabotaging someone’s work or their ability to do their job by not providing them with vital information and resources.

‘Confidentiality’ - refers to information kept in trust and divulged only to those who need to know.

‘Discrimination’ - is treating someone unfairly or unequally simply because they belong to a group or category of people. Equal opportunity laws prohibit discrimination on the grounds of sex, marital status, pregnancy, family responsibility, family status, race, religious beliefs, political conviction, gender history, impairment, age or sexual orientation. Victimisation is also treated as another ground of discrimination.

‘Harassment’ - is any unwelcome and uninvited comment or action that results in a person being intimidated, offended, humiliated, or embarrassed. Equal opportunity laws prohibit harassment on the grounds of sex and race.

‘Personnel’ - refers to all employees of PADI RTO.

‘Racial Harassment’ - occurs when a person is threatened, abused, insulted, or taunted in relation to their race, descent or nationality, colour, language or ethnic origin, or a racial characteristic. It may include derogatory remarks, innuendo and slur, intolerance, mimicry, or mockery, displays of material prejudicial to a particular race, racial jokes, allocating least favourable jobs or singling out for unfair treatment.

‘Sexual Harassment’ - is any verbal or physical sexual conduct that is unwelcome and uninvited. It may include kissing, embracing, patting, pinching, touching, leering or gestures, questions about a person’s private or sexual life, requests for sexual favours, smutty jokes, phone calls, emails, or messages, offensive noises or displays of sexually graphic or suggestive material.

‘Victimisation’ - includes any unfavourable treatment of a person because of their involvement in an equal opportunity complaint. Unfavourable treatment could include adverse changes to the work environment; denial of access to resources or work.

Specific principles

- All Trainers and students have a right to work in an environment free of any form of harassment and discrimination.
- All reports of harassment and discrimination will be treated seriously, impartially, and sensitively. Harassment and discrimination, including victimisation and bullying, is unwelcome, uninvited, and unacceptable behaviour that will not be tolerated.
- When management is informed of any harassment or discrimination it has the responsibility to take immediate and appropriate action to address it.
- In dealing with all complaints, the rights of all individuals should be respected and confidentiality maintained.
- Whenever possible, all complaints should be resolved by a process of discussion, cooperation and conciliation. The aim is to achieve an acceptable outcome while minimising any potential damage to our organisation.
- Both the person making the complaint, and the person against whom the complaint has been made, will receive information, support, and assistance in resolving the issue.
- Victimisation is unacceptable and will not be tolerated. No person making a complaint, or assisting in the investigation of a complaint, should be victimised.
- Harassment or discrimination should not be confused with legitimate comment and advice (including feedback) given appropriately by management or trainers.
- Trainers and students should not make any frivolous or malicious complaints. All Trainers and students are expected to participate in the complaint resolution process in good faith.

NATIONAL VOCATIONAL EDUCATION AND TRAINING ACTS 2011

This act is named in the legislative listing and defines the acts of Federal Parliament that empower ASQA to administer the operations and compliance of RTO's in most states of Australia, and any RTOs that operate in more than one state in Australia.

This includes the right of ASQA to audit PADI RTO, apply penalties for noncompliance, and define the requirements to retain records and other administration and operational requirements of a functioning RTO.

We are answerable to ASQA for our operations.

For more details, please refer to the link: <https://www.legislation.gov.au/Details/C2016C00403>

STANDARDS FOR REGISTERED TRAINING ORGANISATIONS 2025

These are the standards that govern our operation as an RTO.

Thus, we are answerable to ASQA for our conduct as an RTO. Being an RTO is a privilege not a right and as such we need to always comply with all the requirements of the standards and of ASQA.

WORKING WITH CHILDREN

Where we deliver a training program for participants under 18 years of age, we will comply with all Federal and State working with Children legislation, such as the NSW Commission for Children and Young People Act 1998.

A list of all relevant legislation is available from the Federal Police Website:

Further information on the Working with Children's Check is available from our CEO.

FEES AND REFUND POLICY

PADI does not charge for its training programs, unless you are participating in an online course directly through PADI RTO. We do charge an administration fee for the processing of certificates, which is charged to the Trainer (or the store where they teach). Any applicable fees for courses aligned to our training programs are negotiated between you and the Trainer or the store, training facility or dive centre.

PADI RTO will issue a Statement of Attainment (SOA) when we have received notification of the completed training program in line with the set administrative procedures.

A course fee is charged by our registered RTO Trainers when booking and training/assessment dates are set.

- Course cancellation of less than 21 days or less notice forfeits the course fees.
- Course cancellation of greater than 21 days allows for 100 % of the fees paid to be refunded.
- Shifting to alternative course start dates with greater than 21 days' notice is done without charge.
- Shifting to alternative course start dates with 21 days or less notice attracts a maximum of AU\$100.00 administration fee.
- Requests for variation of the refund policy should be made in writing to PADI RTO.

We guarantee to conduct the assessment for the student when full payment had been made. Should circumstances occur where we are unable to provide the service that the student has contracted, the PADI RTO Trainer will refund all monies paid in full. Lost statements of attainment can be replaced, a fee maybe payable and will require the student to contact PADI RTO to request a replacement statement of attainment.

PADI RTO Trainer may accept payment of no more than AU\$1,500 from each individual student prior to the commencement of the course. Following course commencement, the PADI RTO Trainer may require payment of additional fees in advance from the student but only such that at any given time, the total amount required to be paid which is attributable to tuition or other services yet to be delivered to the student does not exceed AU\$1,500.

STUDENT TRAINING RECORDS POLICY

We are committed to maintaining and safeguarding the accuracy, integrity, and currency of our records without jeopardising the confidentiality of the records or our student's privacy.

Individual hardcopy student records will be stored in a lockable secure office area. Our electronic records are stored in our student records software system and are protected by password access, we further protect our records by maintaining up-to-date virus, firewall and spyware protection software.

The CEO is responsible to conducting a backup of our computer systems to an external drive which is stored off site.

Our software and hardcopy systems will retain student results for a period of not less than 30 years.

If we cease to operate as an RTO we will transfer all records to ASQA in appropriate format and detail as specified by ASQA at the time of ceasing RTO operations.

All other records including, training records, taxation records, business and commercial records will be retained for a period of at least seven years.

Should we be required to submit statistical data on our students in the future (AVETMISS), we will use the features inside our student record software program.

We will ensure that any confidential information acquired by us, individuals or committees or organisations acting upon our behalf is safeguarded.

Access to individual student training records will be limited to those required by the NVR Standards such as:

- Trainers and assessors to access and update the records of the students whom they are working with
- Management staff as required to ensure the smooth and efficient operation of the business
- Officers from the Department of Education and Training, ASQA or their representatives for activities required under the Standards for Registered Training Organisations.

Or those required by law such as:

- People as are permitted by law to access these records (e.g. subpoena / search warrants / social service benefits / evidence act).

Or

- Student's authorising releases of specific information to third parties in writing
- The student's themselves, after making application in writing. For example, students seeking a replacement Statement of Attainment
- The student can access their records by completing the "Student Record Access form". Please contact one of the staff members for assistance.

RECOGNITION OF OTHER QUALIFICATIONS

All AQF qualifications and statements of attainment issued by other registered training organisations will be fully recognised by PADI RTO.

Students would be required to produce a certified copy of the original certificate to PADI RTO or in some cases the Trainer, who will make note of the qualification in our record system.

COMPETENCY REQUIREMENTS AND EMPLOYMENT

PADI RTO's educational philosophy follows a performance-based rather than a time-based approach. The student undertaking the unit of competency or accredited course must meet all knowledge and skill requirements as outlined in the corresponding PADI RTO Trainer Guide. PADI RTO cannot guarantee that all students will successfully meet the requirements, and only once all the requirements have been met, can a Statement of Attainment be issued.

PADI RTO's training and assessment strategies and requirements, including the amount of training provided, are consistent with the requirements of the relevant training packages and VET accredited courses and enable each student to meet the requirements for each unit of competency in which they are enrolled. In the course specific PADI RTO Trainer Guides, PADI RTO has determined the amount of training PADI RTO Trainers provide to each student regarding their existing skills, knowledge and experience, the mode of delivery and the number of units being delivered as a portion of the full qualification.

While most successfully completed units of competency can lead to employment, PADI RTO does not guarantee that a student will obtain a particular employment outcome where this is outside the control of PADI RTO.

ACCESS AND EQUITY

We are committed to ensuring that we offer training opportunities to all people on an equal and fair basis.

Including women where under-represented, people with disabilities, people from non-English speaking backgrounds, Indigenous Australians, and rural and remote students.

All students have equal access to our training programs irrespective of their gender, culture, linguistic background, race, socio-economic background, disability, age, marital status, pregnancy, sexual orientation or carer's responsibilities.

All students who meet our entry requirements will be accepted into any of our training programs.

Any issues or questions regarding access and equity can be directed to PADI RTO.

LANGUAGE, LITERACY, NUMERACY AND DIGITAL (LLND) ASSISTANCE

Our course standard material contains written documentation and limited numerical calculations.

We recognise that not all people are able to read, write and perform calculations or use technology to the same standards. We will endeavour to help you where we can accommodate anyone with difficulties with LLND.

Before enrolment, your Trainer will determine whether the course is suitable for you. This may include reviewing your previous training or qualifications, discussing the course requirements with you, reviewing your enrolment information, and where applicable, considering successful completion of any required online learning (such as PADI eLearning, online first aid lessons).

If it is identified a student requires additional language, literacy, numeracy or digital support, your Trainer will discuss appropriate support options with you. Where necessary, you may need to complete a further LLND assessment before enrolment.

If a student's needs exceed our skill we will refer the student to an external support provider such as their local TAFE campus.

STUDENT SUPPORT, WELFARE AND GUIDANCE

We will assist all students in their efforts to complete our training programs.

If you are experiencing any difficulties with your studies we would recommend that you see your Trainer, or another member of PADI RTO's staff.

We will make every effort to support you in your studies; this could be through additional coaching or mentoring or through any other identified way.

Should you be experiencing any personal difficulties you should make contact directly with PADI RTO, who will assist you to the full extent of our capacity.

If your needs exceed PADI RTO's support capacity, we will refer you onto an appropriate external agency.

FLEXIBLE DELIVERY AND ASSESSMENT PROCEDURES

PADI RTO recognises that not all students learn in the same manner, and that with an amount of “reasonable adjustment” students who may not learn best with traditional learning and assessment methods will still achieve good results.

PADI RTO will make any necessary adjustment to meet the needs of a variety of students, the ability to complete a written assessment is not to be interpreted as a barrier to competency, provided that the student can verbally demonstrate competency.

These adjustments may include having someone read assessment materials to students or they may include having someone record the student’s spoken responses to assessment questions.

PADI RTO undertakes to assist students achieve the required competency standards where it is within our ability.

Where we cannot assist a student, we will refer them, where possible, to an agency that can assist.

Any further questions can be referred to your Trainer or PADI RTO.

CLIENT COMPLAINTS AND APPEALS

PADI RTO treats complaints and appeals very importantly, and we will deal with these in an effective and timely manner, typically resolving all complaints within three weeks.

PADI RTO will act upon any substantiated complaint or appeal; these will be recorded into our RTO management system and will lead where appropriate to continuous improvement activities.

The data entry responsibility lies with the CEO.

A student can complain about any aspect of our dealings with them, and the student can appeal any decision we make, including assessment decisions.

In the first instance that a student is unhappy or dissatisfied with an aspect of our service delivery, they should consult their Trainer to quickly resolve the issue.

If the issue is with the Trainer, and the student feels that they would prefer not to approach the Trainer, then the CEO is available to discuss the issue.

If the complaint is about the CEO in their role as a trainer, the Administration staff can take on the responsibility of the CEO in resolving the issue.

Should the complaint or appeal not be resolved in the first instance, then the student is requested to formally lodge a complaint or appeal by completing either the complaint or appeal form, these forms are available from the Trainer, or the CEO.

This formal complaint or appeal will be entered into our Complaints & Appeals Register for tracking purposes. This is the responsibility of the CEO.

Should the nature of the complaint refer to criminal matters or where the welfare of students is in danger, we will, with the permission of the student, seek assistance from other authorities such as The Police, Legal Representative, or other parties as appropriate. Student confidentiality will be always maintained as is consistent with NSW Law.

Engagement of the external assistance will be the responsibility of the CEO.

Upon our receipt of the formal complaint or appeal, the CEO will be responsible for resolving the issue.

This will involve at least a formal interview with the student, the Trainer (if appropriate) and the CEO. If this is unable to resolve the issue, then the issue can be escalated to a mutually agreeable independent person or panel.

The complainant or appellant will be provided with a formal written statement of the resolution of the complaint or appeal; this will state the reasons for the decision.

The suitable independent person or panel will need to be agreed upon by both the student and us, this could include another external Trainer/Assessor, or it could include independent commercial mediators such as Leadr and InterMEDIATE.

Leadr can be contacted via www.leadr.com.au, Intermediate can be contacted via www.intermediate.com.au

Costs for the independent person or panel, will be borne by PADI RTO.

The CEO will negotiate the identification and engagement of the mutually agreed person or panel.

Students who believe they have skills and knowledge that would be covered in the training programs offered, should apply at time of enrolment to have their skills and knowledge assessed and, where appropriate, have the training program reduced as appropriate.

Students can make an application for RPL to PADI RTO at any time during the training program. An RPL Application Form is available from PADI Training Department. Evaluation of RPL applications is charged at \$180.81 + gst per hour.

ASSESSMENT STANDARDS

All assessments conducted by us will:

- Comply with the assessment guidelines defined in the relevant nationally endorsed training package. In the case of our qualifications, we will ensure that the competency assessment is determined by a vocationally competent assessor who holds the relevant Certificate IV in Training & Assessment or higher qualifications.
- All our assessments within our RTO will lead to the issuing of a statement of attainment or to the issuing of a qualification under the AQF, where a person is assessed as competent against the National Endorsed units of competency in the applicable training package.
- All our Assessments will be consistent with the principles of assessment:
 - **Valid** - Assessment methods will be valid, that is, they will assess what they claim to assess, and would enable the student to demonstrate the skills and knowledge in similar situations,

- **Reliable** - Assessment procedures must be reliable, that is, they must result in consistent interpretation of evidence from the student and from context to context, regardless of the assessor conducting the assessment
- **Fair** - Assessment procedures will be fair and take into account the student's needs, so as not disadvantage any students. Assessment procedures will:
 - Ensuring students are fully informed of the assessment process and performance expectations before undertaking the course
 - Be equitable, culturally, and linguistically appropriate,
 - Involve procedures in which criteria for judging performance are made clear to all students,
 - Employ a participatory approach,
 - Provide for students to undertake assessments at appropriate times and where required in appropriate locations.
- **Flexible** - Assessment procedures will be flexible, that is, they should involve a variety of methods that depend on the circumstances surrounding the assessment and assess skills and knowledge held by the student irrespective of how or where these skills were acquired.

We will achieve this through:

- Careful design of the assessments,
- Validation and moderation of the assessment materials conducted in our annual review,
- Making reasonable adjustments to assessment processes or tools,
- Ensuring students are fully informed,
- An understanding of the definition and practical application of the above definitions.

ASSESSMENT CRITERIA

All our assessments will provide for applicants to be informed of the context and purpose of the assessment and the assessment process.

This will include information regarding assessment methods, alternative assessment methods if required to accommodate special needs or circumstances. Information will also be included at the start of each unit or course as to the assessment processes, number of assessments, types of assessment and the individual weighting of each assessment.

ASSESSMENT METHODS

Our assessments and assessment methods will ensure that we:

- Focus on the application of the skill and knowledge as required in the workplace, including:
 - Task skills (actually doing the job)
 - Task management skills (managing the job)
 - Contingency management skills (what happens if something goes wrong)
 - Job Role environments skills (managing your job and its interaction with others around you)

We will ensure that we assess you in sufficient detail to ensure that we can determine that you have attained competency.

Re-assessment is available on appeal, see details in the appeal process section.

All assessment tasks must consider any language and literacy issues, cultural issues or any other individual needs related to the assessment.

Trainers are available to discuss and provide limited professional advice as to the outcomes of the assessment process and guidance on future options.
